Hon'ble P.C. Verma, J.

Heard learned counsel for the petitioner and Sri B.D. Upadhyay for respondents.

The grievance of the petitioner is that he approached for allotments of quarter for residential purposes. To that effect he made representation feeling annoyed by the said approach, the authorities have transferred him from Almora to Nainital. It is a sort of malafide alleged against the authorities and the same has been made basis of transfer. I have perused the order of transfer.

I do not find any illegality in the same.

The petition is dismissed.
